SPIROU À MOSCOU

FANTAISIE [tè-zî] n.f. (du grec *phantasia*). Idée qui a quelque chose de libre et de capricieux. Caprice, goût bizarre et passager. Imagination. Exemple: «*Toute ressemblance avec des camarades existants ou ayant existés ne serait que pure fantaisie.*»

Tout au long d'une histoire tourmentée, son peuple dut défendre une terre convoitée par des hordes belliqueuses déferlant de toutes les frontières. Polonais, Litvaniens, Teutons, Suédois, Finnois, Turcs, Mongols (et même un peu les Français), tous finiront par être refoulés au prix de sanglants sacrifices.

Ces luttes incessantes forgèrent l'étonnante âme slave, alliant une sage rudesse paysanne à une sensibilité proverbiale.

Et sous ses dehors austères, le Russe sait à l'occasion manier un humour certain.

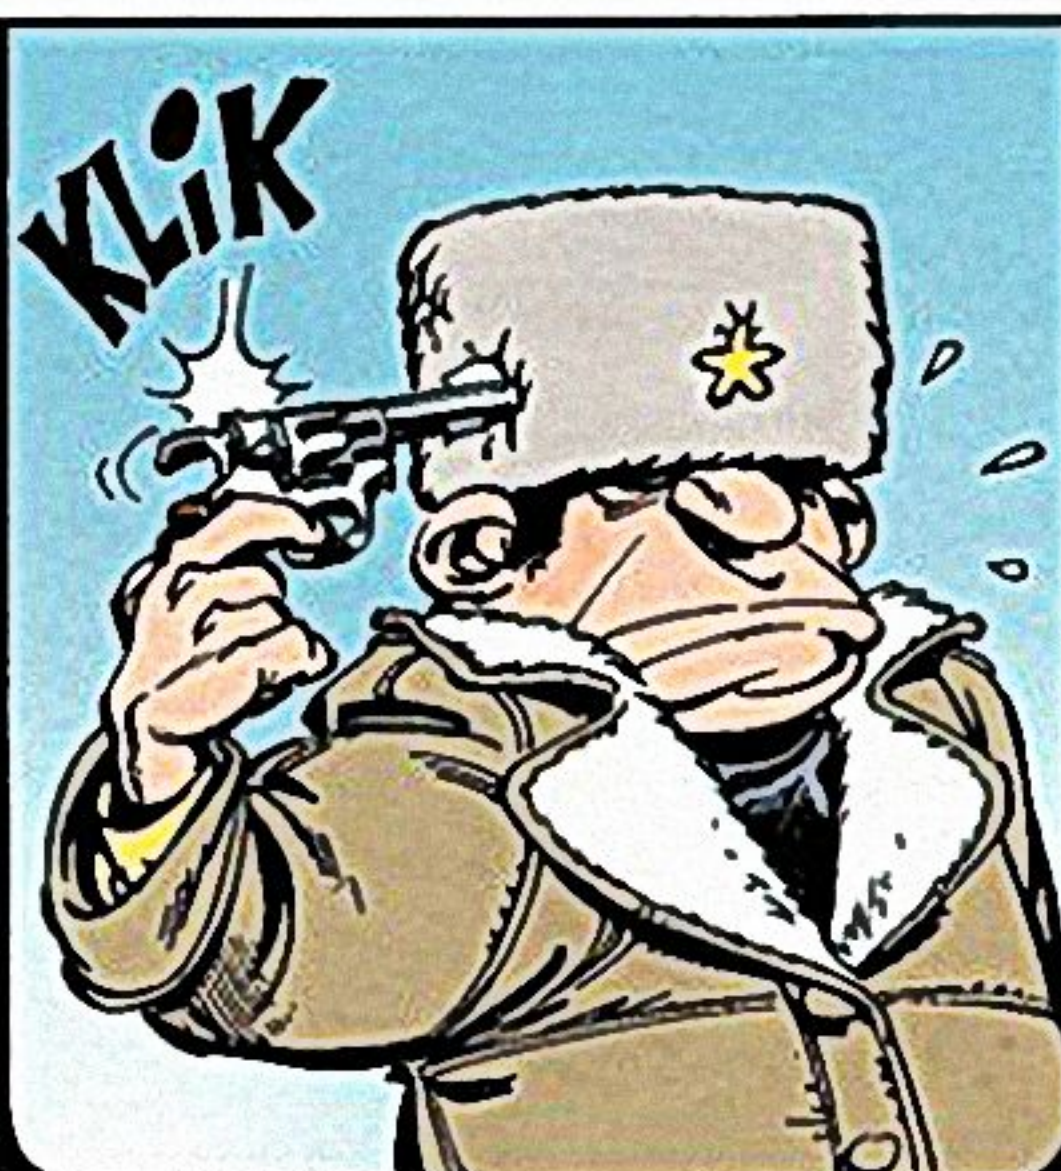

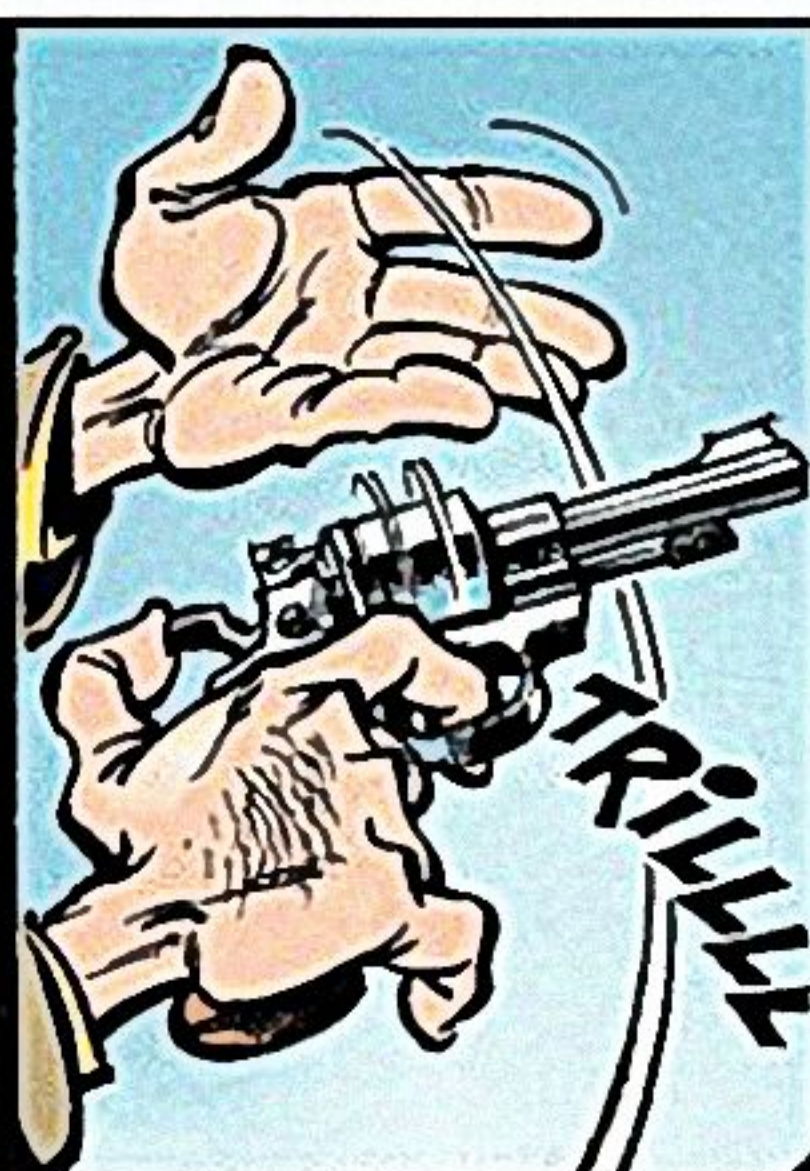

Par ailleurs, ce formidable creuset offrit à l'humanité quelques-unes de ses plus grandes figures...

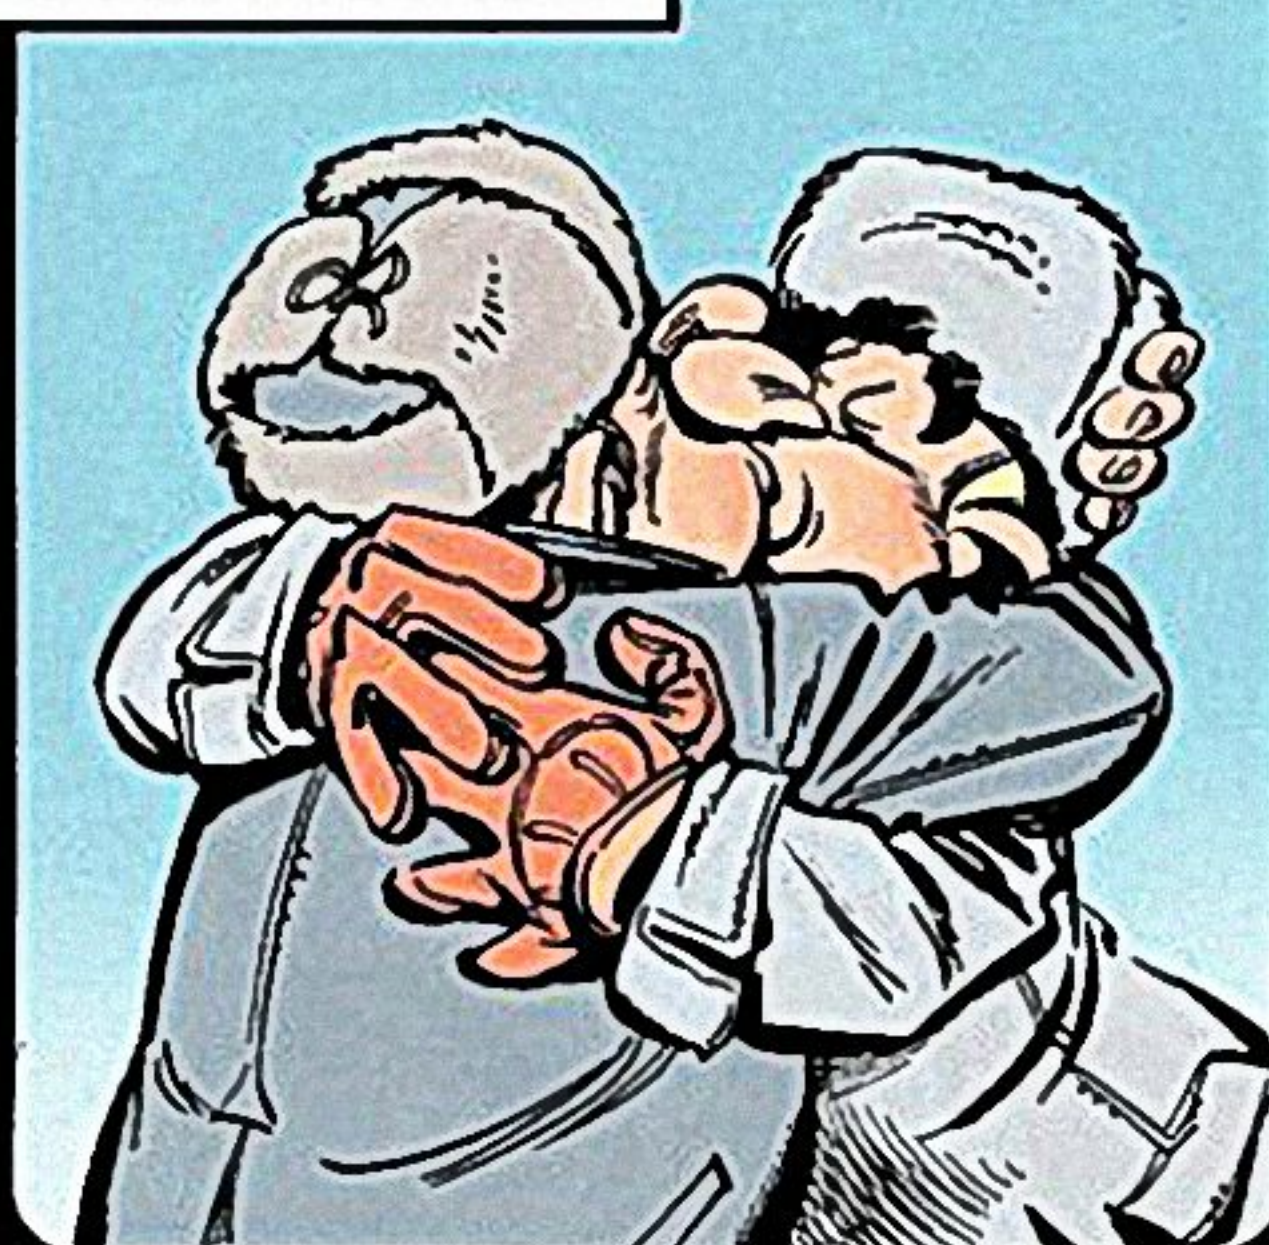

Mais ce sont les traditions russes qui popularisèrent l'imagerie russe. Certaines sont célèbres comme la "roulette" russe.

À TON TOUR, TOVARYTCH. ET QUE LE PLUS VEINARD SURVIVE !

Le chaleureux et viril baiser d'accueil...

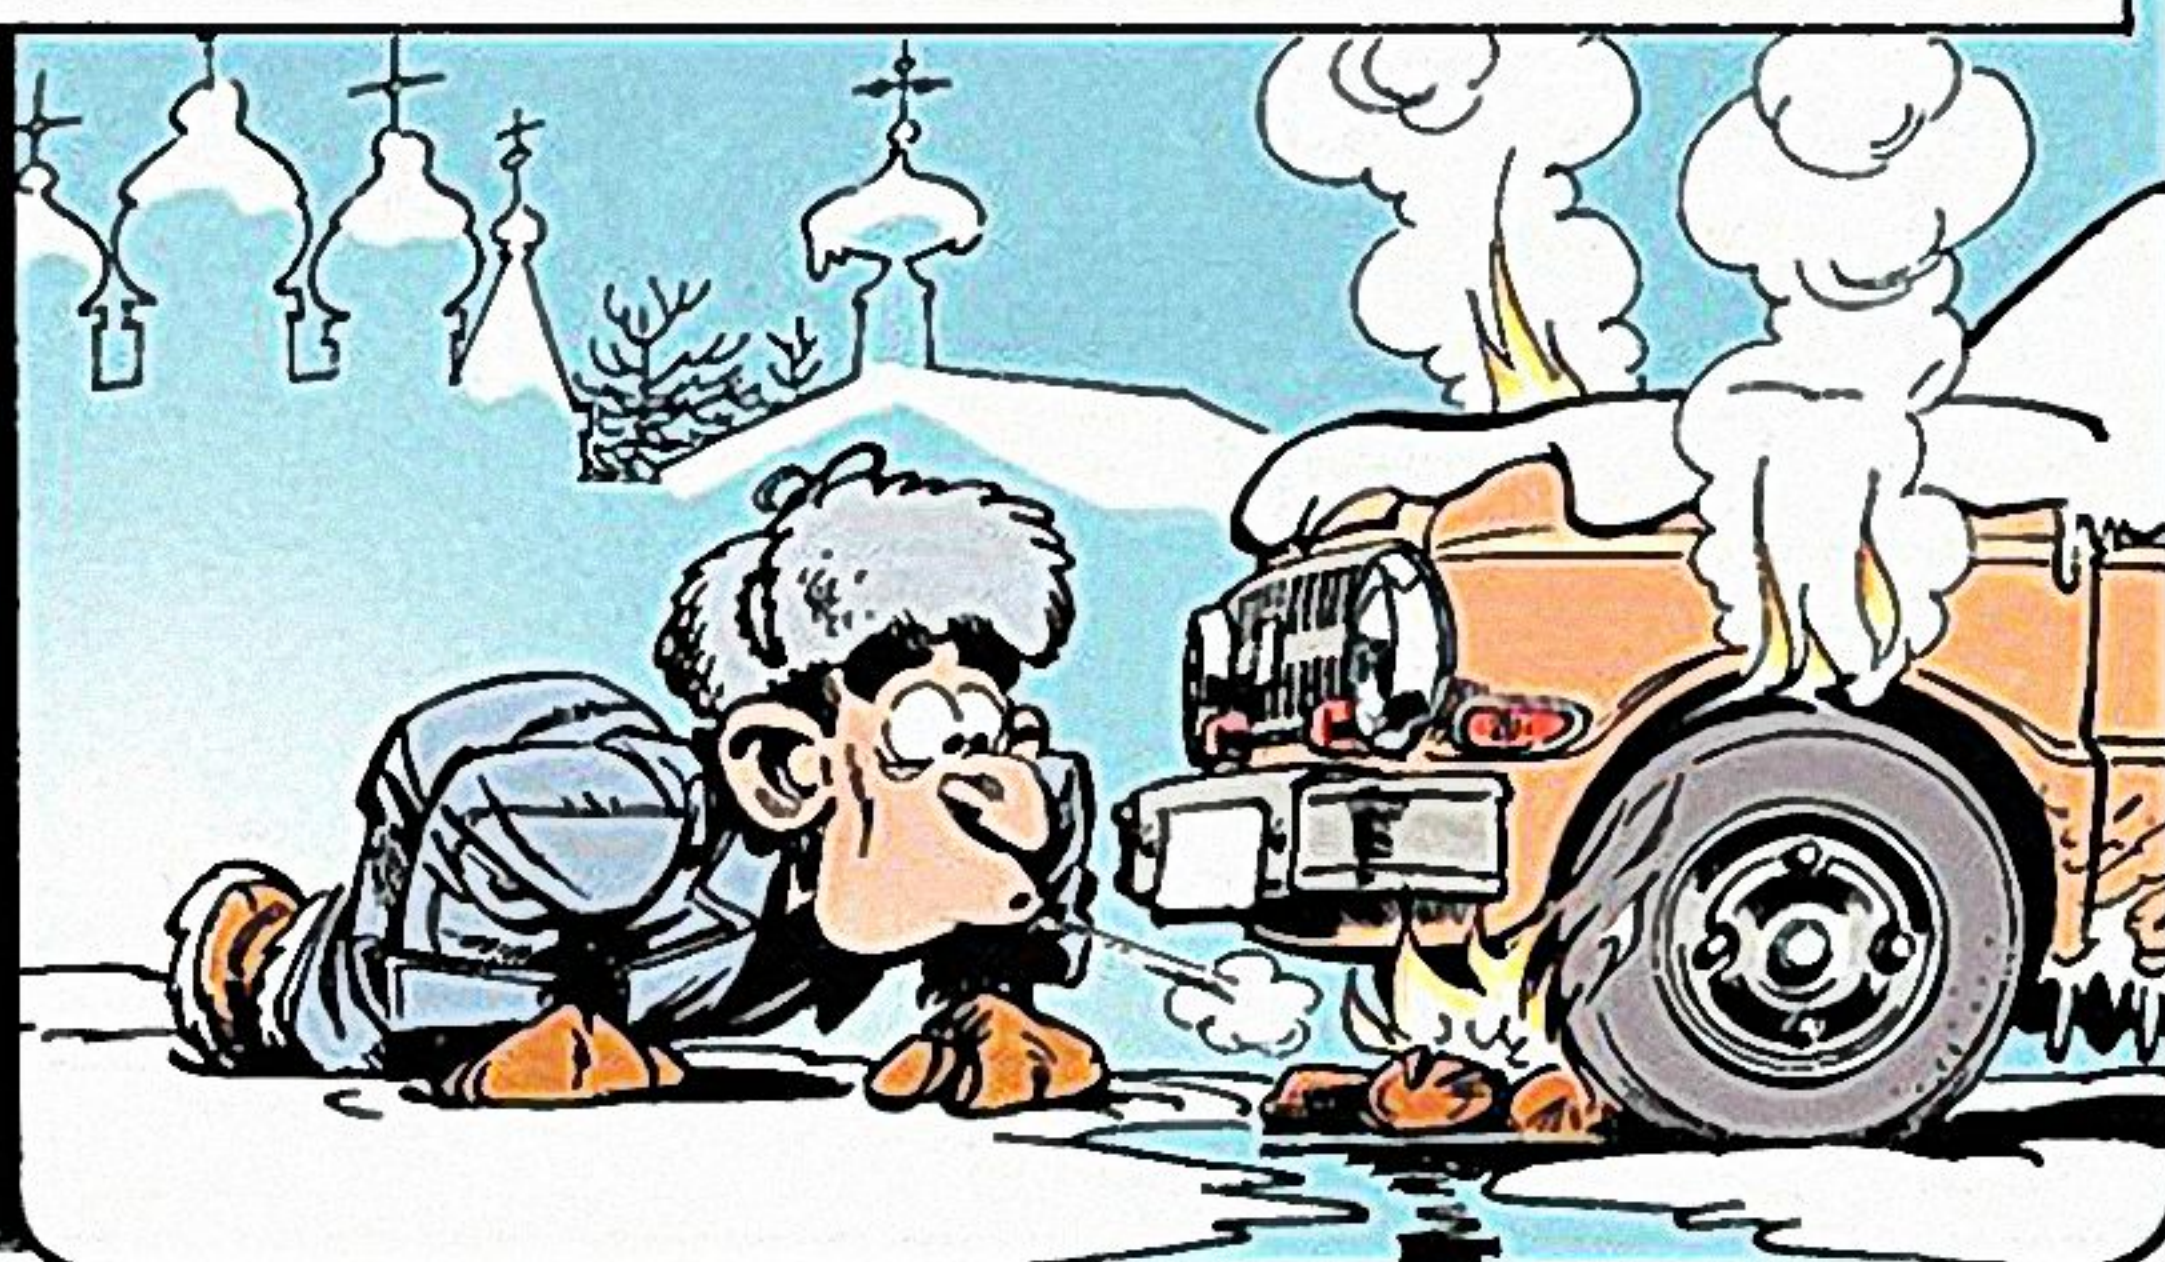

Les baignades hivernales...

Ou encore...

L'habitude de faire du feu sous les véhicules pour les faire démarrer en hiver...

... Ou celle, plus récente, d'évaluer les prix en années de salaire.
